Care-Cost Worksheet

Divorced With a Special Needs Child? Name the real monthly cost of care before support is negotiated. Fill in your family's actual numbers.

Care cost	Per month ($)	Who pays now
Therapies insurance does not cover		
Respite and supervision care		
Transportation to appointments and programs		
Medical equipment and supplies		
Home or vehicle modifications		
A parent's lost work time		

Why this page matters

Support orders are built from numbers. Care that is not named and priced tends to be treated as free. Bring this worksheet to any negotiation or mediation, and keep a copy with your records.
